

LPTS-L is a table stand in a landscape configuration using Leader Prestige profiles.

Shark fin shaped anodized aluminum side caps provide stability to either single or double sided units. A gently reclining appearance combined with round edged side caps creates a very welcoming look.

The LPTS-L is available in five heights: 94, 124, 168, 230 and 320mm with endless width options.

All presented width options are commonly used sizes; however, customized widths are available upon request.

The Leader prestige features unique rounded micro snap side profiles, allowing a fast and simple insert change without compromising its elegance. The side clips are offered in 5 spectacular colored anodized finishes: Silver, gold, black, red, and blue.
